

## The Humanbecoming Leading-Following Model

Leading-Following is deliberately innovating with potent engaging in persistently pursuing excellence. It is an indivisible, unpredictable, everchanging cocreation.

Assumptions	Essences	Processes
Meanings unfold with deliberately innovating.	Deliberately innovating is committing to a vision with vigorous energizing.	<p><i>Committing to a vision</i> is being passionately present with something of value.</p> <p><i>Vigorous energizing</i> is enlivening commingling.</p>
Changing patterns surface with potent engaging.	Potent engaging is willingly risking in living with ambiguity.	<p><i>Willingly risking</i> is daringly venturing forth.</p> <p><i>Living with ambiguity</i> is moving with the vague.</p>
Infinite possibilities emerge with persistently pursuing excellence.	Persistently pursuing excellence is revering others with vigilantly attending.	<p><i>Revering others</i> is honoring uniqueness.</p> <p><i>Vigilantly attending</i> is cautiously witnessing.</p>
